MISSIONARY MOMENTS: MIKE and VICKI MCQUITTY are North American missionaries working to reach the 75,000 college students located in central New York. Utilizing various methods to share the Gospel and plant churches throughout the region. They also develop student leaders to take the Gospel overseas and work with our International Mission Board missionaries. It's exciting to tap into the zeal and giftedness of these students, and our church is a partner in this effort through our consistent support of Cooperative Program (CP). Pray for the McQuittys and these students this week.

STATEMENT: 2 Timothy 1:12 Commitment which leads to growth in Christlikeness instills an eternal hope. Keeping a commitment to grow in giving is a testimony that "I am not ashamed" of the one in "whom I have believed."
